

## Diary of the six French students. Mobility in Austria

4-9 March 2012

### Europa Schule in Wiener Neustadt

Sunday, March 4th

We travelled with an "air France A320" plane. It was the first time for 4 of us to take the plane.

We arrived in Vienna. Then we went to our Austrian host families in Wiener Neustadt. It was great !! ☺

Monday, March 5th

We went to the school "Europaschule" in Wiener Neustadt. We met students of Martinique, of England, and our host Austrian students ; they showed us their school. We did posters of our selves to show what we are like.

The school is very beautiful and modern. It's really funny because the students wear socks and sandals !

In the afternoon we took the bus with the English, the Martinicans and the Norwegians to go to the hotel in Veitsch, 60 km of Wiener Neustadt.

After arriving we went to the skiing area for the skiing equipment for the next day. After dinner ,with all the European delegations, we

had an assembly where we were taught the rules of skiing, and we made friendship bracelets. It was funny to meet new friends.

Tuesday, march 6th

We went to the skiing area from 9:00 AM to 4:00 PM. It was sunny and hot. It was the first time for 4 of us to go skiing. We fell a lot of times but nobody was hurt. We were skiing all together. We must speak in other languages, in English the language of the project and German for students who learn German.

After dinner, we presented our school ISC in La Ville du Bois and our country France; we sang the "Champs Elysées" song. Everybody sang with us it was cool. All the school presented their school and their country and they sang a typical song too. It was nice !

Wednesday, march 7th

We went again to the skiing area at 9:30 AM. Some of us were in the group of beginners and some in the group of the strongers. It was nice but we were very tired at the end. At 4:00 PM, we had a snow sculptures competition. The French made "Gold" the dog. And then for the swimming competition we chose 3 swimmers : Gwladys, Onur and Justine.

At 7:30 PM, we did 4 traditionnal Austrian folk dances with the teachers. It was very special but funny to do.

Thursday, march 8<sup>th</sup>

We went with all the partners to the skiing area in Veitsch and we did this time the skiing competition. We had a break from 4:00 PM to 6:00 PM. We talked with the other foreign students. At the evening, prizes were given for the three competitions and our French delegation received prizes because everyone skied very well. After, they made a party for us and we could dance.

Friday, march 9<sup>th</sup>

We had breakfast as everyday at 8:30 AM. It was our last breakfast together ... That's too bad ☹ !! And then we had the last meeting to say goodbye and to exchange addresses and e-mails. Then we took the bus together to go to the *Europa Schule* in Wiener Neustadt where we had lunch. After that, we got together to visit Vienna, the Prater, a park with a hudge wheel. We really enjoyed it ! And then we flew to Paris and met our families again. We will never forget this European trip to Austria. It was amazing ☺ !
