4th Comenius Meeting

La Ville-du-Bois, France

17 October 2012

Present:

LAVOLLÉE Danielle	La Ville du Bois, France
DAVIES John	Pilton, GB
WRIGHT Nigel	Braunton, GB
ELIE-AUZE Philippe	Fort de France, Martinique, FR
WYNIKAL Andrea	Wiener Neustadt, Austria
PILLES Evamaria	Wiener Neustadt, Austria

Venue: Institution du Sacré Coeur – La Ville-du-Bois

Start: 1:30pm

- Next bid needs to be send in 21 Feb. 2013 (Austria a bit earlier – 31 Jan!)
- If money is needed to go to a planning meeting this has to be in by 6 Dec. 2012. It seems planning meeting will be in January (Paris)
- A school in Sausa (near Milan) is interested. Sacré Coeur + Martinique + Austria + Pilton + Braunton are keen to join the next project. Spain is thought to have dropped out of our possible project grouping.
- Each subsequent project has improved in the development of what we do. This is evidenced through Ning and enthusiasm of the pupils of each country. These good works should be promoted vigorously in the next bid to demonstrate progression.
- Note the Olympic legacy has been built into Comenius. Use of the money won by Braunton PE Dept to give some evidence of fulfilling the current project brief. This should be mainly used for final report evidence.
- A video to be produced for all school distribution of a diary' by interviewing pupils being asked about what makes your school healthy. This to be done in several languages.
- The video would then be continued to subsequent mobilities to create one joint continuous record on video.
- Martinique's focuse is „World of Work – locally, nationally and across Europe“
eg „My dad is a farmer and gets up at 5:00 am“ with perhaps a video to show at the presentation. Should be an interesting or different occupation for each school.
The national and international elements would come out of the actual presentation.
The presentation would be basically in 3 chapters
 - Job – Mum/Dad does (see above)
 - Sport – I play this with my friends.If I get hurt...
 - * Health – the school nurse keeps a log of all visitors
Give a mock of example.

8 min max. for presentation

- Another activity would be a beach competition hand ball/sand ball in Martinique. Also kayaking, scuba diving, snorkeling.
- A firmer diary of events will be posted by Philippe near the date.
- Martinique dates are 9 March 2013 – 16 March 2013
- Last and final meeting dates in Hamar Norway are 14 May – 19 May 2013

Meeting closed 15:30 hrs
