Presentation of the Comenius project

Turning Ideas into Actions is a Comenius School partnership project funded by the European Commission during two years (2013-2015).

European partnership

Seven schools in five countries : Austria, France, (Martinique and Metropole), Italy, Spain and United Kingdom

Europaschule, Wiener Neustadt

Instituto de enseñanza secundaria San Blas, Arcena

Istituto Comprensivo Statale 66 Martiri, Grugliasco

Braunton School & Community College, Braunton

Pilton Community College, Barnstaple

Lycée Joseph Gaillard, Fort de France

Collège du Sacré-Cœur, La Ville du Bois

Aims of the Mobility 2 in Austria

- * Contribute to an active cooperation between schools
- * Learn more about the *Europaschule in Wiener Neustadt*
- * Discover Austria and Wien
- * Collect data and make figures
- * Accept the differences
- * Use English as a communicational language between the partners
- * Develop their skills in ICT
- * Integrate the whole school community
- * Make links between schools and the world of work
- * Develop the geographical mobility for possible future employment in Europe
- * Use the opportunities to develop their sense of initiative and entrepreneurship
- * Develop their social, civic and cultural competences
- * Take part in European productions
- * Develop their European citizenship

Project meeting in Europaschule : Activities

- **Before the meeting :**
 - Do research on the Internet about the **tourist industry and winter sports in France**
 - Improve **ICT skills** and digital competences
 - Make a **PowerPoint presentation** focusing on the topics for the French delegation
 - Write and test their presentation in English
- **During the meeting :**
 - **Present the PowerPoint in English** to the European assembly in Wiener Neustadt
 - Learn about **Tradition and Culture in Veitsch**
 - Complete the **questionnaire** for students with the evaluation about the mobility and the project
 - **Experiment lessons** in the host school
 - Integrate themselves in their **host families**
 - Explore **skills and jobs** available in the future
 - Take part in the activities on the programme
 - Produce a **personal diary** on their mobility : *What I have learnt from the Comenius Project?*
- **After the meeting :**
 - Present the PowerPoints to **their classes:3eme and ULIS** as new Curriculum material.
